

Kiewit team wins \$47.5M I-405 job

September 22, 2005

By JOURNAL STAFF

OLYMPIA — The state Department of Transportation has awarded a \$47.5 million design-build contract to a team that includes Kiewit Construction, DMJM Harris and Perteet. The project involves improvements to Interstate 405 under the nickel gas tax.

Construction on the Kirkland Nickel Improvement Project Stage 1 is scheduled to begin later this year, a year ahead of schedule. It adds a new lane in each direction of I-405, and rebuilds the Northeast 116th Street interchange to allow traffic to move more efficiently. Work will focus on the section between Northeast 85th and 124th streets.
